

## **Verian Technologies Receives Prestigious Honor for the 6th Consecutive Year**

Charlotte, NC (August 1, 2008) – For the sixth consecutive year, Verian Technologies, a provider of purchasing and invoice automation solutions, has been named one of the top 100 technology providers by Supply & Demand Chain Executive.

The 2008 Supply & Demand Chain Executive 100 are supply chain solution and service providers that are helping to drive supply chain innovation by providing their clients with unique solutions that address current and future supply chain challenges.

Verian was honored for its innovative approach to helping Accounts Payable departments process invoices faster and less expensively.

“Verian Technologies is thrilled once again to be included among the listing of “next-wave” innovations in supply chain software,” said Tehseen Ali Dahya, CEO and President of Verian Technologies. “Our clients are the source of innovation at Verian and we want to thank them for their willingness to share their business challenges with us so we can develop solutions that help make their lives easier and the impact of their work more valuable.”

### **About Verian Technologies**

Verian Technologies helps mid- and large-sized organizations reduce costs and increase efficiency with intelligent, easy-to-use solutions that automate the entire purchase-to-pay process including procurement, invoice processing, employee reimbursements and asset management — capturing all spend intelligence in a single database for analysis. Verian was founded in 1997 and is headquartered in Charlotte, N.C. The company’s clients include Macy’s, Recreational Equipment Inc (REI), Boeing, Allstate Insurance, PETCO and General Nutrition Centers (GNC).
